

4P Project Management Consolidation

Invest in your people. Invest in your business.

One day training programme

Why do you need project management?

Project management is a fundamental business requirement. Every thing we do is a project. Every assignment has a goal, a timeline, a budget and limited resources. Every assignment is a project. We need to know how to run projects, how to manage teams of different disciplines, and how to succeed each and every time. This one day Consolidation course is suitable for all project managers who want to enhance their project management skills.

Benefits of the 4P Project Management Method

- ✓ Simple to learn yet can be used on complex projects.
- ✓ Keeps the goal in mind at all times, concentrating on getting results.
- ✓ Reduces risks by ensuring all risks are monitored and mitigated.
- ✓ Has a strong communications process so that everyone knows what is going on.
